WÄDI WANDERT · WALK 5 OF 6

A snowshoe walk for connoisseurs

When the snow comes down as far as the hill country, the land between Schönenberg and Hütten turns into a world of its own. On snowshoes you walk more slowly than you expect, and hear more for it: your own step, a branch shedding its snow, and nothing else. The route is a romantic one and not strenuous — meant for those who take their time, not for records. Now and then you simply stop, because the view asks you to. Snowshoes can be hired from Wander-Erlebnis.ch.
